AFA Quarterly Meeting on 20 March at Tellico Village was a great success. AFA Chairman Joe Sutter updated us on AFA trends; and Maj Jason Brock shared his Manas AB deployment experiences. At dinner, the audience gave the best rendition of the AF Song I have heard in years! We plan future meetings in Crossville and tri-cities areas – if you live in those areas and want to assist in setting up those meetings, call Jim Mungenast, 865-386-5859.
