### LOCAL AIR FORCE ACADEMY PARENTS GROUP SENDS OFF 2010 CADETS

On June 19, Col (Ret) Owen and Leslie Ragland hosted a send-off for the 2010 Air Force Academy cadet candidates and their families. Leslie, President of the local Parents Group, says that these groups have a direct liaison with Academy officials, and the group meets monthly to discuss upcoming events at the Academy, and progress of their cadets. They send Acceptance Day boxes to the new cadets after they complete basic training, and often travel together to visit the cadets at the Academy. These outstanding young men and women were mentored through the application process by Academy Liaison Officers, who work closely with high school counselors to make students aware of the opportunity to serve in the Air Force.
