WELCOME AND INTRODUCTIONS:

- The meeting of the East Tennessee Military Affairs Council was held on Thursday, July 12, 2012 at the Army Reserve Center, ETMAC President John Dyess presiding. A total of 64 members and guests were present including a number of nursing students from UT. The normal business portion of the meeting was postponed until the August 2nd meeting due to the special presentation that would be given by Colonel (ret) Bill Giles. Due to the postponement of normal council business, a treasurer’s report was not given nor were the minutes approved for the June 7 meeting.
- John Dyess congratulated members of the 119th Command and Control Squadron that were present on receiving the National Guard Association of the United States Distinguished Mission Support Plaque. This was a tremendous achievement and their recognition by the National Guard was well deserved.
- John Dyess also introduced our newest member of ETMAC, Mrs. Anne Haston, wife of MG Max Haston, Tennessee’s Adjutant General. MG Haston has also become a member of ETMAC and will be attending a meeting in the near future.
- John Dyess then introduced Colonel (ret) Bill Giles. Below is a link for a story the Knoxville News Sentinel ran in today’s paper regarding the presentation.
